*These are the top 50 Free Visitor Attractions based on Fáilte Ireland Visitor Attractions Survey 2019, which was carried out by SRI in the third quarter of 2020. Estimates of visitors to attractions may include usage by local residents.*

*An attraction may be defined as a permanently established destination, capable of attracting day visitors or tourists, which must be open to the public, without them necessarily having to pre-book. The primary purpose of the attraction should be sightseeing, for which it may be feasible to charge admission. It should also allow access for entertainment, interest, or education rather than being primarily a retail outlet or a venue for sporting, theatrical, or film performances.*
