

# Irish Resident Travel by County 2022

Trips, Spend and Nights spent in Ireland by Irish Residents 2022

May 2023

# Table of contents

1. Introduction
2. Border, Midlands and West counties
3. Southern and Eastern counties

# Introduction

---

Irish residents took 13.3 million domestic trips in 2022, spending a total of €2.9 billion. They stayed an average of 3.0 nights per trip, a total 34.2 million nights.

The following pages provide a breakdown of Irish residents' travel by main county visited. The CSO provides data on trips and nights based on the annual results of their Household Travel Survey (HTS), [Household Travel Survey Quarter 4 and Year 2022 - CSO - Central Statistics Office](#). Fáilte Ireland generates expenditure estimates based on the results of the HTS.
