ALWAYS CHECK THE OFFER DETAILS

Many offer providers in this guide are offering extras as 'treats'. These range from discounts off spa treatments to multi-room discounts. You should always check and confirm the offer details, inclusions and treats with the offer provider you are interested in booking with, prior to booking. This is important, as space limitations in this brochure have meant that the featured providers have not always been able to detail their offers to the fullest extent. Checking will help you ensure that you have a full understanding of the offer.

Every care has been taken to ensure accuracy in the compilation of this brochure. Fáilte Ireland cannot, however, accept responsibility for errors or omissions, but where such are brought to our attention, future publications will be amended accordingly. Some sporting activities may by their nature be hazardous and involve risk. It is recommended in such cases to take out personal accident insurance. While most operators would have public liability insurance, it is desirable to check with the establishment or operator concerned as to the level of cover carried. © Fáilte Ireland. SEASON OF YEATS

WALK ON THE WILD SIDE IN DONEGAL

Enjoy coastal walks along the wild Atlantic, romantic or family strolls on 10 looped walks from Inishowen to Glencolmille; a bite to eat with curious locals in the Good Food Taverns followed by a wee glass of wine or a frothy pint and your troubles will be a distant memory.

GATHERINGS FOR FAMILY AND FRIENDS

Bring your family and friends from overseas to experience exciting Gathering events. See the spectacular pageant "Awakening of the Horseman" at Féile Grianan Ailigh (Jun 21-22). Celebrate WB Yeats birthday with us in Sligo (Jun 13) or experience the original Gathering at An Tostal in Drumshanbo, Leitrim (May 31).

GATHER FOR GOLF

Golf is always great fun in the North West from the 1st to the 19th hole. The Region boasts some brilliant golf courses, so you are never more than a 'short drive' from a spectacular links or parkland course.

Enjoy Multi-Room Discounts

This is the Year of The Gathering. If you book multi-rooms at any accommodation featuring the above symbol they will discount their featured offer even further or give you other extras. Exactly what they offer is listed on page 21.

REDISCOVER YOUR HERITAGE

Fancy trying something different in 2013? Why not take yourself on a journey of discovery this Spring? Heritage is what makes our towns, villages and parishes special. In the Year of the Gathering, Irish people have never been more interested in where they come from, in the DNA of their family and their country and the stories of how times past have shaped their lives and the society in which they live... it's the perfect excuse to reconnect.

Great Value and Discounts at Visitor Attractions

Ireland's visitor attractions account for a stunning heritage collection, and one that draws visitors from both home and overseas. But did you know that many are completely free of charge, or can be visited using a discount card providing some super discounts and coupons to visitors?

Ireland's National Gallery and Museums are free to visit, as are many heritage sites around the country managed by the Office of Public Works (e.g. Doneraile Wildlife Park, Farmleigh House and the Loughcrew Cairns). Many other sites participate in schemes offering visitors discounted entry fees, such as the OPW Heritage Card (www.heritageireland.ie), the Heritage Island Discount Pass (www.heritageisland.com), the Dublin Pass (www.dublinpass.ie), the South East Explorer Pass (www.southeastexplorer.org), or the Shannon Region Discount Card (www.shannonregiontourism.ie).

It's your heritage. Enjoy it!
