

CATEGORISATION... IS IT FOR ME?

HOOK THE ANGLER... DIRECT THE RAMBLER... JOIN THE CLUB...

Do you have a speciality? Why not showcase it with support from Fáilte Ireland...

An Irish Home B&B can add many dimensions to a guest's stay, being a catalyst to making a good holiday a great one! Often located in great scenic locations or at the heart of it all in town centres, the combination of B&B owners' expertise and local linkages, affords guests a holiday experience they might not ordinarily find for themselves.

Categorisation is a voluntary scheme based on consumer research into the needs of those travelling with specific interests such as walking or angling. The criteria are based on the provision of facilities and services to accommodate consumers' needs. They are designed to recognise and highlight the special efforts made by operators catering for specialist markets.

The criteria have been developed in consultation with experts in the field and have been benchmarked against similar schemes in operation in Scotland and Wales.

Fáilte Ireland believes that these schemes can enhance the appeal of the Irish Home B&B experience and attract more consumers to consider it as an option from both the domestic and international market place.

Categorisation... Quick Facts

- Categorisation is available to you if your B&B is classified at a 3*, 4* or 5* level.
- It is optional and a separate award to classification.
