UPCOMING FÁILTE IRELAND INITIATIVES FOR KILKENNY

'CASTLES AND CONQUESTS' VISITOR EXPERIENCE DEVELOPMENT PLAN FOR KILKENNY

Fáilte Ireland has initiated a number of Visitor Experience Development Plans across the country. These are 3-5 year commercial development plans for a region, which bring the public and private sector together to drive visitors and revenue to lesser known areas and attractions, especially in the off-peak season. The themes of the Visitor Experience Development Plans have been designed to enhance each area's strongest tourism assets and appeal to core overseas markets. Vitality, these plans will be delivered in a way that encourages visitors to spend more time in an area, without compromising the environment or culture of the region.

In Kilkenny, Fáilte Ireland has started work on the 'Castles and Conquests' Visitor Experience Development Plan which aims to bring to life the area's Norman heritage and develop compelling castle experiences that are motivating and appealing to international markets. Fáilte Ireland has established a strategic partnership with the Office of Public Works (OPW). Under the Ireland's Ancient East programme, €8.2million will be invested in large scale capital projects that will improve visitor experiences at eight top OPW-run sites including key 'Castles and Conquests' themed attractions such as Kilkenny Castle.

DESTINATION TOWNS – OPEN FOR APPLICATIONS

Through Fáilte Ireland's Destination Towns initiative, every Local Authority in the country – including Kilkenny County Council - will be able to bid for funding of between **€250,000 and €500,000** to develop up to two towns in their area that have the potential to become a tourism hub.

The new scheme, which is now open for applications, will provide funding for the Local Authority to enhance public spaces and attract more overseas visitors. The Ireland's Ancient East team is working closely with the council on its funding submission. The closing date for applications is September 2019.

PLATFORMS FOR GROWTH INVESTMENT PROGRAMME

Platforms for Growth is Fáilte Ireland's new four-year capital investment programme worth **€150million**. The programme specifically targets product themes and types known as 'platforms', which have the greatest potential to grow tourism in Ireland. The first of the platforms to be launched is **Immersive Heritage and Cultural Attractions**, which will focus on developing world-class attractions that appeal to overseas visitors who are looking for hands-on experiences.

The programme will fund projects of scale (greater than €2.5million) and falls under the Government's Project Ireland 2040 strategy which supports sustainable growth in the Irish tourism sector to drive higher revenue and job creation around Ireland. Platforms for Growth is now open for applications until 17th July 2019 and a series of workshops will be held around the country. Find out more: www.failteireland.ie/platformsforgrowth
