Fáilte Ireland Attractions & Activity Tourism Operators Business Continuity Scheme Guidelines
1. Introduction - What is the Scheme for?

Funding supports under the Fáilte Ireland Tourism Business Continuity Programme have been introduced to assist Republic of Ireland-based tourism businesses that have suffered significant losses due to COVID-19.

Visitor attractions are one of the primary drivers of overseas tourism demand within Ireland. The restrictions on indoor venues and international travel means 2021 will be a difficult year for the attractions sector and these businesses will remain extremely vulnerable. Similarly, although outdoor activity operators have reopened, these providers are extremely seasonal and like attractions will be relying solely on the domestic market, shortening the season and the opportunity for revenue generation. The aim of this Fáilte Ireland Attraction and Activity Operators Tourism Business Continuity Scheme is to provide financial support to attraction and activity tourism operators contributing to their sustainability until the end of 2021.

Funding for this scheme, subject to availability, has been allocated for the Tourism Business Continuity Programme using funds from the Department of Tourism, Culture, Arts, Gaeltacht, Sport and Media with the consent of both the Minister for Tourism and the Minister for Public Expenditure and Reform under Budget 2021. The Fáilte Ireland Attraction and Activity Operators Tourism Business Continuity Scheme, (which will be referred to as the “Scheme” throughout) is one of the schemes being funded from the allocation.

The Scheme is approved under the EU’s Covid-19 Temporary State Aid Framework (the ‘Temporary Framework’) 1.

*Fáilte Ireland may at its sole discretion reduce the maximum grant amount per applicant, depending on the overall funding available for this scheme.

The level of grant funding is further subject to the overall caps on aid under the Temporary Framework for State Aid Measures to Support the Economy in the Current Covid-19 Outbreak, and the grant available may be reduced where an applicant or its group has already benefitted under another scheme notified under this framework.

10. What do I do if my business operates from more than one location?

Businesses that operate from more than one location may only make one application for the Scheme per legal entity.
11. I have more than one eligible business, what do I do?

If you have more than one business/affiliate company that meets the eligibility criteria and are established as separate legal entities, applications are to be submitted per eligible legal entity. Payment of grants will be issued per eligible legal entity, taking into account State aid rules.

Multiple applicants from the same group of companies are considered to form one economic unit and therefore a single “undertaking” for the purposes of the State aid rules. The “Temporary Framework for State Aid Measures to Support the Economy in the Current Covid-19 Outbreak” provides that overall aid granted on the basis of schemes notified under the Temporary Framework shall not exceed €1.8 million per undertaking. All applications will be subject to this overall cap of €1.8 million per undertaking for aid granted under the Temporary Framework.

The Applicant will be asked to declare all applications being submitted for affiliated businesses when submitting the application forms, and applications on behalf of all such applicants should be submitted within the same time period.

- Applicants will be asked to declare that they have read the eligibility criteria for the Scheme and will abide by the terms and conditions of the Scheme. In addition, applicants are required to retain all records relating to the Scheme, including basis for eligibility, for auditing purposes.

That even in circumstances where the applicant has initially been approved to receive a grant, Fáilte Ireland retains an overall discretion and reserves its right to refuse to grant funding on reasonable grounds. If the applicant is in breach of the terms and conditions of the Scheme, or has provided any false or inaccurate information as part of the application process, it will be required to pay back the grant with interest and any applicable recovery costs, in accordance with State aid rules.

Fáilte Ireland may conduct an assessment into non-compliance by an applicant with these terms and conditions of the Scheme and reserves the right to review and revoke the grant, including where it receives corroborated third-party complaints.

Applicants are encouraged to carefully review, consider and adhere to these terms and conditions, together with the eligibility criteria of the Scheme for the purposes of State aid compliance. EU State Aid

Fáilte Ireland is the grant aiding Authority for the Scheme. The legal basis of the Scheme is the National Tourism Development Authority Act, 2003. Grants are provided in accordance with the criteria set out above, subject to EU State Aid law.

The Scheme will be operated under the EU’s Covid-19 Temporary Aid Framework (the “Temporary Framework”). To fall within the Temporary Framework its provisions must be complied with in all cases and in all respects in so far as they apply to State Aid for a particular applicant. While Fáilte Ireland has a primary responsibility to comply with those requirements and other State Aid rules, compliance also depends on the co-operation of applicants, including their adherence to these Guidelines, their candour in making applications to us and, ultimately, their compliance with the terms and conditions attaching to the grant, if successful.

*A consolidated version of the Temporary Framework as of 13 October 2020 is available at: https://ec.europa.eu/competition/state_aid/what_is_new/TF_informal_consolidated_version_as_amended_28_january_2021_en.pdf. It is the applicant’s responsibility to ensure that it is aware of any amendments to the Temporary Framework and applicants are free (and encouraged) to take legal advice as appropriate on how State aid rules apply in their particular situation. Please note that it is a requirement of the Temporary Framework that the aid is granted no later than 31 December 2021 (subject to any extension by the EU Commission).
