

Hotel Renewals – Guide to Changes to Maximum Scale of Charges

One of the most important things to remember is that the rate you set is per room, not per person and will apply to the full year.

Room Rate - please input the maximum charge for a room that accommodates up to two guests.

Family Style Room Rate, input your maximum charge for all room types that **accommodate 3 or more guests**.

Suite Rate, input your maximum charge for all suite types including your largest suites such as a penthouse or presidential suite.

It is important to note - As stated in the legislation the 'Business shall be conducted in accordance with charges not exceeding those specified in the scale of charges and these charges shall be displayed in a prominent location'.

These charges will be monitored for compliance by Fáilte Ireland throughout the year. Failure to comply may impact the future registration of your business.
